

# **ALMONDVALE POLL-WHITE SUFFOLK STUDS**

Welcome to our 2021 Sale- Our 34<sup>th</sup>

Again this year has shown many similar features to last year. The COVID problem is still well and truly with us, but thankfully we are still able to conduct our sale with all the right protocols put in place.

On a brighter note, for those of us who have remained in the sheep industry, the rewards have, and we believe will continue to be, very financially rewarding. With all our clients reporting great prices for both their lamb, mutton and excess ewe sales.

We have always believed that our Poll sheep must remain dual purpose, and this is still proving to be the case with the results we receive with our excellent scanning data.

As all will see the decision to increase the White Suffolk Ram sale numbers from 90 to 120. This will give all clients a larger choice of what we believe is an exceptional draft of rams.

Again all these rams are continuing to show the great breed attributes we are renowned for.

As always thankyou for your support and positive comments on our breeding programme as we strive for excellence in both breeds.

# “ALMONDVALE”

Specially Selected Rams

**Poll Rams** 13-15 months old  
Average Fibre Diameter 20.31 micron  
Shorn May 2021  
Average Body Weight 96.5 kgs
